Press Release

25th February, 2011

Right-Hand Drive Lexus GS & RX in Hong Kong Not Affected
No Recall Is Needed

Toyota Motor Corporation (TMC) has announced a recall campaign of Lexus GS300 & GS350 (Production Period: October 2004 through August 2006) in North America and a recall campaign of Lexus RX300, RX330, RX350 & RX400h (Production Period: February 2003 through August 2006) overseas. Both campaigns involved left-hand drive models only and the available models sold in Hong Kong were right-hand drive with different designs. Thus, Hong Kong **IS NOT** involved and **NO** recall is needed.
