Toyota Post-Earthquake Production Arrangements in Japan (9)
Toyota Motor Corporation Plans for Resumption of Full-Scale
Production

Toyota Motor Corporation (TMC) has gradually resumed production and expects to return to normal levels by November or December this year at the latest. Crown Motors Ltd. (CML) is grateful for the support and understanding from the public. In order to maintain sufficient supplies for the market, CML is liaising with the manufacturer and hopes to receive higher production quotas. Updated announcements will be provided in due course.
